Nous sommes  
cinq mille  
Ici dans ce coin  
de la ville  
Combien sommes-nous dans toutes  
les villes de tout  
le pays?

Tous... tous, le regard  
fixé sur la mort.  
Comme il est  
effrayant  
Pour eux, le sang  
Le carnage,

Le visage du fascisme  
est une médaille  
un geste héroïque.

Chant que je  
Quand je me  
Quand je me  
Où le silence

te chante mal  
quand je dois chanter l'effroi.  
meurs d'effroi  
s'trouve en ces moments d'infini  
et le cri sont les échos de mon chant.
